

I am aghast at
Sinclair media's FCC
supported decision
to violate election
law in a clear
donation of millions
of dollars of
airtime to the Bush
campaign's efforts
to smear John Kerry.

I am a fierce
proponent of 1st
amendment rights,
but I believe firmly
that the power of
media should not be
abused to advance a
political agenda.

This is an egregious
violation against
the cause of
liberty.
